Connecting through education.

🌀 **11021NAT** Certificate IV in TESOL

🌀 **11020NAT** Diploma of TESOL

## A life-changing opportunity

Teaching English to Speakers of Other Languages (TESOL) is about the teaching and learning of the English language in both English-speaking and non-English-speaking countries. Well-trained TESOL teachers are highly sought after, as the demand for English language learning around the world continues to grow.

## Launch your career

We differ from other providers, whereby we not only teach you the art of TESOL, our highly experienced trainers and team place you in our classes to teach real students during your practical sessions. You will find everything you need at GCLC in order to launch your career.

This qualification is available as an Australian fee for service Apprenticeship or Traineeship.

## 🔗 VET Entry Requirements

---

All applicants enrolling into Vocational programs must meet the minimum English entry requirements of:

- IELTS Overall Band Score of 5.5 or equivalent, a recognized Upper-intermediate English certificate from another Australian College or the GCLC VET ENTRY test.
- Students who wish to commence studies in any VET course will be asked to complete a literacy and numeracy assessment.
- Students may be required to complete an English language course if their level of English is not sufficient for VET course entry.
- Entry into our Certificate IV, Diploma and Advanced Diploma courses requires a Year 12 qualification or equivalent.

All English evidence provided must be within a 2-year validity period of the commencement date.

## 🔗 RPL/Credit Transfer

---

You may be eligible for Credit Transfers if you hold the same unit(s) from another provider. To be eligible; you must present your certified qualification at enrolment stage, together with the completed 'Course Credit Form'. Once assessed, you will be notified of the outcome. Should your achieved units be equivalent, your CoE/course duration will be reduced according to the amount of time needed to complete the outstanding units.
